HOW IT WORKS: The Norwich Union National League operates on a three-up, three-down basis with the top three finishers in Division Two replacing the bottom three of Division One.

Four points are awarded for a win, while teams will take two points each if matches are tied or the weather intervenes before the required number of overs have been completed and there is no result.

Revised playing hours come into effect this season with matches starting at 1pm and ending at 7.10pm with 45 overs per side, although all fixtures will begin 30 minutes earlier in September. Floodlit games will start at 4.10pm. The 'free-hit' rule for no balls will apply to front-foot no balls only this season. A batsman cannot be dismissed from the bowler's next delivery after such an infringement.

This season's competition features the biggest number of day-night matches yet staged in this country - 26 - with 16 out of the 18 counties hosting floodlit cricket.
