

GLADIATORS' LEAGUE CROWN BEGINNING TO SLIP

All eyes will be on the County Ground in Taunton for this week's only fixture in Division One of the Norwich Union League.

South-west rivals Somerset Sabres and Gloucestershire Gladiators go head-to-head with both teams aiming to bounce back from defeats in their last outings.

The Gladiators, looking increasingly shaky in defence of their title, are in desperate need of a win after slipping to seventh in the table.

Mark Alleyne's side have lost four of their first six fixtures in Division One this year and defeat against the Sabres would deal their championship chances a near-fatal blow.

The skipper's knock of 68 provided the only resistance as his team slumped to a five-wicket defeat against Warwickshire Bears at Gloucester, and he must urge his troops to support him against the Sabres.

The home side will be eager to compound their neighbours' misery and put behind them the defeat they suffered against Nottinghamshire Outlaws at Trent Bridge.

The Sabres went down in disappointing fashion as they found themselves unable to defend a competitive total of 232 and slipped to their third loss of the season.

But Ian Blackwell shone once again in defeat, compiling a defiant 59 to add to his rampant 76 against Yorkshire Phoenix and a quickfire 33 not out against Surrey Lions.

The Sabres will look to the all-rounder - now the county's leading run scorer in the Norwich Union League - to cap a fine month's work with the bat and help them to victory.

LIGHT FANTASTIC FOR THE TITLE HOPEFULS

The Norwich Union League Division Two goes under the floodlights this week with two day/night games to look forward to.

The first is at Derby's Racecourse Ground where Derbyshire Scorpions are hoping to continue their mini-revival with victory against Worcestershire Royals.

The Scorpions are back on track after ending their run of four successive defeats but they will come up against a Royals side looking for the win that would take them top of the table.

Graeme Hick's men faltered in their last game - going down by 111 runs to Glamorgan Dragons - and the Royals skipper must lift his team in order to overcome a competitive Scorpions outfit.

Should they fail to come away with all four points, Hampshire Hawks will have the chance to move into pole position themselves when they take on Sussex Sharks at West End.

The derby clash between the two south coast rivals will be the first ever floodlit game at the Rose Bowl and one Robin Smith's side should win against the struggling Sharks.

The visitors, languishing in seventh place in Division Two, will once again rely on openers Richard Montgomerie and Murray Goodwin to lay the foundations for a big total.

● NORWICH UNION ROLLERBALL CHALLENGE 2001

THE start to the Norwich Union League season has already seen more than it's fair share of action with runs and wickets galore. This summer Norwich Union is taking cricket to a new audience with 26 floodlit matches, giant screen entertainment and music.

Probably the most progressive and exciting domestic cricket competition, the Norwich Union League will be taking match day entertainment to another level with Rollerball.

Rollerball is a national promotion, which will be appearing at a number of Norwich Union League matches throughout the summer, giving cricket fans a chance to win a first prize of £10,000

Norwich Union fans have the chance to win a £10,000 first prize

What is Rollerball?

They are three-metre diameter, transparent, plastic spheres that contestants climb into before racing down the 60-metre long slalom course.

Each contestant must navigate the obstacles on the course before sprinting to the finish.

The aim of the game is to complete the course in the quickest possible time - hitting the giant inflatable stumps at the end.

There will be two heats at each game, both with two contestants, racing against each other and the clock. The fastest of the four contestants will be the winner on the day.

Rollerball is just one of the new ideas created to make Norwich Union League matches the highlight of your season.

The giant screen, music and great atmosphere have all been designed to make supporting your county an experience to remember.

What Can You Win?

The fastest time at each event will win £100 as well as signed county and Norwich Union merchandise. The fastest four Rollerballers of the summer will be invited to a Grand Final day at one of the last Norwich Union League matches this season for a chance to win a £10,000 first prize.

All Grand Finalists will be provided with accommodation for two and travel expenses.

Commenting on the Norwich Union Rollerball initiative, Sponsorship Manager, Bill Reynolds said: "Rollerball is part of the Norwich Union League's event package that includes music, giant screen entertainment and bringing floodlit cricket to the Counties. Rollerball is part of our commitment ensuring that cricket supporters are provided with entertainment during the whole day."

How do I enter?

SOMERSET SABRES versus GLOUCESTERSHIRE GLADIATORS

MATCH PREVIEW

Gloucestershire Gladiators' chances of retaining their Norwich Union League crown will be left severely dented if they are defeated by south-west rivals Somerset Sabres when the pair clash at Taunton.

The reigning champions, who have lost four of their opening six fixtures, would be left languishing 12 points behind leaders Leicestershire Foxes - having played two more games - should the Sabres come out on top.

The home side, who are fifth in the table with a two-point advantage over Mark Alleyne's side, will be keen to add to their neighbours' woes and get their own campaign back on track.

The Sabres were unable to defend a competitive target of 232 in their last outing against Nottinghamshire Outlaws and slipped to their third defeat of the season.

One bright point from that game was the continued excellent form of Ian Blackwell, whose 59 made him the Sabres' leading run scorer in the Norwich Union League this year.

DERBYSHIRE SCORPIONS versus WORCESTERSHIRE ROYALS

MATCH PREVIEW

Worcestershire Royals will go top of Division Two of the Norwich Union League if they beat Derbyshire Scorpions at Derby's Racecourse Ground.

The Royals have been pushed down to third in the table by Glamorgan Dragons, who posted a massive 305 for six in giving Graeme Hick's men a 111-run hiding in their last outing.

Hick must try to lift his side again to put their promotion charge back on track, but he will have his work cut out against a Scorpions outfit who need to achieve greater consistency in the one-day game.

The home side will go into the fixture - the first under lights for either team this year - on the back of a 42-run success against Middlesex Crusaders that was as timely as it was decisive.

The Scorpions had lost four games in a row after setting the early pace in Division Two, but a solid team performance against the Crusaders took them back up to fifth in the table.

HAMPSHIRE HAWKS versus SUSSEX SHARKS

MATCH PREVIEW

The first-ever floodlit game at the Rose Bowl will see Hampshire Hawks take on south coast rivals Sussex Sharks in their Norwich Union League Division Two derby clash.

And there will be plenty at stake on what will be an historic occasion with the Hawks eyeing pole position in the table.

If Worcestershire Royals slip up at Derbyshire Scorpions the day before, Robin Smith's men know a win against their struggling rivals will move them up three places to top spot.

The Hawks are buoyant after ending leaders Durham Dynamos' unbeaten start to the season with a comprehensive 64-run victory in which Smith mixed up the batting order, and he may be tempted to repeat his successful experiment.

The Sharks will once again rely on opening pair Murray Goodwin and Richard Montgomerie - both of whom are in excellent form - to provide the foundations for a big total.

THE DUCKWORTH/LEWIS SYSTEM

If matches are rain-affected the Duckworth Lewis system is used to reset targets. The system is based on what percentage of its resources (overs and wickets) a team have left. With 50 overs left and 10 wickets remaining, a team has 100 per cent of its resources left. The table shows the percentage of resources at other stages in the innings.

The procedure for working out targets is as follows:

1) For each innings: Use the table to calculate the resource percentage lost by the interruption and therefore calculate the resource percentage still available.

2) If team 2 have less resources available than team 1, calculate the ratio of the resources available to both teams. Team 2's revised target is obtained by scaling down team 1's score by this ratio.

3) If team 2 have more resources available than team 1, calculate the amount by which team 2's resources exceeds team 1's.

Work this out as a percentage of 225 (the average 50-over score in ECB matches and one-day internationals). This gives the extra runs to add to team score to give team 2's target.

HOW THE NORWICH UNION LEAGUE WORKS

The Norwich Union League operates on a three-up, three-down basis with the top three finishers in Division Two replacing the bottom three in Division One. Four points are awarded for a win, while teams will take two points each if matches are tied or the weather intervenes before the required number of overs have been completed and there is no result.

Matches will start at 1pm and end at 7.10pm with 45 overs per side, although all fixtures will begin 30 minutes earlier in September. Floodlit games will start at 4.10pm. The free-hit rule for no-balls applies to front-foot no-balls only. A batsman cannot be

dismissed from the bowler's next delivery after such an infringement.

This season teams will face penalties for slow over rates. If in the opinion of the umpire there are still overs to be bowled at the cut-off point then six runs will be added to the batting team for every over left to be bowled. If at cut-off time there are still four overs left to be bowled then 24 runs will be added to the batting team's score. The batting team will then go on and finish their overs. These will appear as penalty runs on the scorecard. If this takes the batting team over the target required then the match will finish at that point.
