- c) Should the team bowling first fail to complete their overs within the required time, the allotted overs will be completed but they will be limited to bat to the same number of overs they completed by the scheduled time for cessation of the first innings. If, in the opinion the umpires, there are external factors preventing the completion of the allotted overs in the allocated time schedule (injury, extreme heat etc) they have the power to extend the allocated time.

6.2 Delayed or Interrupted Matches

- a) The object shall always be to rearrange the number of overs so that both teams have the opportunity of batting for the same number of overs.
- b) A minimum of 20 overs must be played by both teams in order to constitute a match.
- c) The number of overs to be played will only be reduced after an initial 60 minutes loss of playing time.

6.3 Interruption or delay to the innings of the team batting first

Second Session:	13:30 – 16:30

** MATCHES PLAYED IN ASHDOD WILL COMMENCE AT 10:30*

** MATCHES PLAYED ON A FRIDAY WILL COMMENCE AT 10:00 UNLESS AGREED OTHERWISE BY THE CAPTAINS PRIOR TO MATCH DAY*

10.2 The toss will be conducted 15 minutes prior to the scheduled start of play. The captain winning the toss will give his decision to bat or bowl immediately. A team not ready for the toss at the scheduled time automatically loses the toss.

10.3 Any team not in position to start play 60 minutes after the scheduled start automatically loses the game. The team responsible for the delayed start will be penalized 1 over from their batting allocation for every 4 minutes lost. Teams can be disciplined in accordance with Clause 18 for failure to compete in a scheduled match.

11. THE RESULT

11.1 In a match in which both teams have had an opportunity of batting for an equal number of overs, the team scoring the most runs shall be the winner. If the scores are equal the match will be declared a tie, regardless of the number of wickets lost by either team.

11.2 In the event of the number of overs of the team batting second being reduced (see Clause 6 above), the target will be set according to the score achieved by the team batting first after the corresponding number of overs available to the team batting second.

Example: The team batting first completes their 40-over innings.

A suspension in play reduces the number of overs available to the team batting second to 35 overs. The target score will be the same score as achieved by the team batting first after their 35th over.

11.3 In the event that both teams are unable to bat for at least 20 overs, the game will be declared a "No Result".
